Unlimited Access to Legal Experts and Resources

Employees concerned with personal legal problems may be distracted at work and spend time during the workday to manage those issues. The ComPsych LegalConnect program provides immediate access to the expertise and support these employees need so they can remain focused and performing on the job. LegalConnect is the largest provider of legal information services to employees in the U.S.

The Right Help at the Right Time

With LegalConnect, employees and their family members have instant access to qualified counsel to ask questions, gain strategic guidance and plan next steps. Often, employees are able to resolve their legal issues simply through telephonic consultation with a LegalConnect staff attorney.

And unlike pre-paid legal services, the ComPsych LegalConnect staff can help with any legal need, anticipated or not. Satisfying the needs of each employee also includes recognizing and being sensitive to the inevitable emotional issues that accompany legal problems.

LegalConnect offers assistance in the following areas:
