Frequently Asked Questions about Tuition Benefit.

Does the Tuition Benefit discount apply to all children in my family?

Yes! The tuition savings program includes children ages 6 weeks to 12 years for whom you have legal custody. Ages served may vary by location.

Can the discount be combined with other savings offers, such as sibling discounts?

Only one recurring tuition savings may be applied to a family's account. Families who qualify for more than one tuition savings offer will be allowed to choose the best one for them.

How do I find information on tuition rates and operating hours?

Tuition rates and operating hours vary by location. Contact a center or site directly for specific program information, to verify participation in the tuition savings program, and to schedule a tour.

Do you offer back to school programs?

Yes, we are here, open, and ready to care for our families. Many of our community centers are working directly with local public schools to navigate school age integration within our safety and curricular strategies. Additionally, most of our centers will have a back to school program for students between 5-12 years old (full and part time options).

What if my child is already enrolled in a KinderCare, CCLC or Champions program?

Simply let the Center or Site Director know that you are eligible for a tuition savings through your employer, provide proof of employment, and ask to begin saving **10% on your child's tuition. Tuition savings cannot be pre-dated or retroactive.**

What identification is considered acceptable proof of employment??

A current paystub or employee identification badge is acceptable proof of employment. You may black out private information when submitting a copy of your paystub. Proof of employment will be validated annually.
