

Keep up with eye exams and eyewear with Vision Insurance

Flexible benefits that may save you money.

Why is having a good vision plan so important?

Routine vision exams are not only important for your eyes. They may also help catch early signs of serious problems, such as diabetes, high blood pressure, heart disease, certain cancers and other conditions.¹

That's why, even if you have perfect vision, yearly exams are important.

Get more from your coverage with MetLife Vision Insurance featuring the Superior Vision[®] network.

Choose from thousands of eye care professionals

- Option to see any licensed ophthalmologists, optometrists and opticians at participating retail and private practice locations. Enjoy lower out-of-pocket costs when visiting a participating vision care provider²
