Did you know?

Regular visits to your eye care professional do more than just help protect your eyesight, they may help identify chronic medical conditions.

Consider this:

I never miss my children's games and I chaperone all their dances. Recently, when I had my eye exam, my doctor identified the early signs of diabetes. Thanks to our **vision coverage**, I have peace of mind knowing this was caught early. Now, I can be there to see my children play every game and never miss a dance.*
