

get the most out of your protection

It's official: You're protected by Pro+ Cyber from Allstate Identity Protection

This means we may have already activated* your credit and high-risk transaction monitoring plus identity theft expense reimbursement†, identity restoration, and 24/7 US-based support.

Now, you can power up your protection by logging in, confirming your information, and activating all your plan's available features with simple actions like:

Add credentials

Financial Account Monitoring

Set threshold limits, low balance alerts, and more by connecting your bank, HSA, 401(k) accounts

Dark Web Monitoring

Connect your email addresses, credit cards, driver's license, passport, and more to stay ahead of potential dark web threats

Allstate Digital Footprint®

Link your email to get a list of your online accounts, spot possible threats like breach alerts, and learn how to protect your personal information

Social Media Account

Takeover Monitoring

Add your preferred social accounts to get notified of suspicious activity on Facebook, Instagram, LinkedIn, and more

Turn on

Credit features

Verify your personal information to access additional credit features like credit reports, credit lock, and more

Add devices

Cybersecurity

Set up identity and cyber protection features like

- Device protection tools
- Network Security
- VPN
- Password manager

Family Digital Safety Tools

Protect your kids online and set healthy habits by connecting their devices for content monitoring and screen time tools

Robocall Blocker

Add your devices to intercept and block scam calls and texts before they reach you

Ad Blocker

Link your devices to set up automated blocking for unwanted advertisements and prevent data gathering by online trackers

Set permissions

Solicitation Reduction

Elect to opt out of the National Do Not Call Registry, credit offers, and junk mail reduction

Sex Offender Monitoring

Choose to opt in and receive notifications if a sex offender is registered in a nearby area

Protect your family members

Our family plans are built to cover the entire family under roof and under wallet including parents, in-laws, and grandparents over the age of 65 — regardless of where they live.

If you have a family plan, remember to add your family members to activate full protection and monitoring features for them, including monitoring on behalf of deceased family members.

* We are able to turn on basic credit and high-risk transaction monitoring only if your employer provided us enough information about you in your enrollment file. To ensure credit and high-risk transaction monitoring are activated, log in and check your personal information like Social Security number, date of birth, and email address.

† Identity theft insurance covering expense and stolen funds reimbursement is underwritten by American Bankers Insurance Company of Florida, an Assurant company. The description herein is a summary and intended for information purposes only and does not include all terms, conditions and exclusions of the policies described.
