Ready to take the tricky out of health insurance?

Choose Mylo.

There's a lot to sort out when it comes to healthcare these days. That's why Mylo makes finding the right coverage for you fast, friendly and convenient.

Why Mylo?

Mylo is a digital insurance agency who combines deep expertise, leading edge technology and partnerships with top-rated carriers. A licensed Mylo advisor can:

- Pre-select health plans from **40+ carriers**
- Find the best combination of coverage and price
- Help you enroll in the right plan

The expert who knows the way to the right insurance, fast.

Coverage tailored to your needs? We're on it.

Mylo can find the right health plan based on how often you use medical services, what regular prescriptions you use, whether you have must-see doctors, hospitals and providers — and more. Whatever your need, we shop for an option from the best carriers around.

All about Open Enrollment (Nov. 1 – Dec. 15 *but subject to change*)

Open Enrollment is the official time period when anyone in the U.S. can enroll in health insurance. Mylo can help you enroll in a new plan or save money by switching to something better.

Need help outside of Open Enrollment?
No problem as long as you've had a qualifying event:

- Losing coverage
- Changing income
- Getting married or divorced
- Having a baby
- And more

More ways to protect what matters

Mylo can also help you add great coverage for:

- **Dental**
- **Vision**
- **Short-Term Medical**
- **Accident**
- **Medicare Part D (Prescription Drug)**
- **Medicare Supplement (Medigap)**
- **Medicare Advantage**
